# Life insurers' first-year premium grows 7.6% during April-Feb

FE BUREAU  
Mumbai, March 14

**FIRST-YEAR PREMIUMS** OF life insurance companies between April 2018 and February 2019 grew 7.6% to ₹1.77 lakh crore against ₹1.64 lakh crore during the corresponding period in the previous financial year.

Private players continued to grow faster at 22.31% compared to state-run Life Insurance Corporation of India (LIC) which posted a growth of only 1.39% during the period, showed data from the Insurance Regulatory and Development Authority of India (Irdai). According to some market participants, the industry has been witnessing single-digit growth due to negative growth in segments such as individual single premiums and group

non-single premiums. The Irdai data showed that private players saw first-year premiums at ₹59,798.76 crore in the current financial year till February compared to ₹48,891.40 crore for the same period last year. On the other hand, LIC saw first-year premiums at ₹1.17 lakh crore between April and February as against ₹1.15 lakh crore last in the corresponding period last fiscal.

However, in February, the life insurers saw first-year premium collection growth of 32.67% at ₹18,209.50 crore compared to ₹13,724.96 crore a year ago. The life insurance industry posted a 16% growth in its annualised premium equivalent (APE) at ₹7,009.6 crore in February compared to the same month a year ago. APE is the sum of annualised

**Private players continued to grow faster at 22.31% compared to state-run Life Insurance Corporation of India, which posted a growth of only 1.39%**

first-year premiums on regular premium policies, and 10% of single premiums, written by insurance companies during any period from both retail and group policyholders.

"Individual APE growth for private sector life insurance companies picked up to 16% from 10% in January 2019 translating into YTD growth of 11%. HDFC Life was the only large player that reported a decline (individual APE down 6% yoy) while other large play-

ers were up 9-30%. Against this backdrop, improving share of the protection business augurs well for supporting VNB growth of key players and in that sense, makes APE growth less relevant," Kotak Institutional Equities said in a report.

Players like Birla Sun Life Insurance, Tata Allianz, SBI Life and Tata AIA continued to see its APE growth in positive in the month of February. "Private sector players reported 16% y-o-y growth in individual APE in February 2019, higher than past few months. Growth rate had moderated in April-July 2018 but picked up in later months prior to recording some sluggishness in November 2018 and inching up again. On YTD basis, individual APE was up 11% yoy," added the Kotak report.

## IDBI Bank now a private sector lender

IDBI BANK HAS been categorised as a private sector lender following acquisition of majority stake by Life Insurance Corporation, RBI said.

In January, LIC completed the process of picking up a controlling 51% stake in the nearly crippled IDBI Bank.

"IDBI Bank has been categorised as a 'private sector bank' for regulatory purposes by Reserve Bank of India with effect from January 21, 2019 consequent upon LIC acquiring 51% of the total paid-up equity share capital of the bank," RBI said in a statement.

IDBI Bank has been under the prompt corrective action framework of RBI that bans it from corporate lending and branch expansions, salary hikes and other regular activities. —PTI

## Markets end flat after volatile trade

PRESS TRUST OF INDIA  
Mumbai, March 14

**BENCHMARK INDICES** SENSEX and Nifty closed almost flat on Thursday after a volatile trade as gains in financials and power stocks were balanced out by heavy profit booking in IT and energy counters.

The BSE Sensex erased its early gains to end up by just

2.72 points, or 0.01%, at 37,754.89, extending the winning run to a fourth session.

The broader NSE Nifty closed marginally up by 1.55 points, or 0.01%, at 11,343.25 as gains in financials like IndusInd Bank, Yes Bank, pharma and power stocks were offset by losses in IT, energy and auto stocks.

Financials such as IndusInd

Bank, Yes Bank, Kotak Bank and HDFC rose up to 2.84% on expectations of loan growth following the RBI's move to inject liquidity through the dollar-rupee swap auction.

The RBI on Wednesday said it would inject long-term liquidity worth \$5 billion into the system through dollar-rupee swap arrangement with banks for three years.

## BoI to raise ₹400-500 cr from non-core asset sale

PRESS TRUST OF INDIA  
Mumbai, March 14

**STATE-RUN BANK** of India on Thursday said it is looking to raise at least ₹400-500 crore from sale of a non-core asset by end-March, a top bank official said.

It could be noted that the bank has been looking to sell its stake in a few non-core assets including Star Union Dai-Ichi Life Insurance, STCI Finance and Sidbi.

The bank's managing director and CEO Dinabandhu Mohapatra told reporters on Thursday the process to sell non-core asset is on and the bank has already floated request for proposals (RFPs).

The lender is examining all the offer it has received, he said. "...It will take some time. We are very hopeful of one transaction will be completed by March-end. We may be able to raise around ₹400-500

crore," Mohapatra told reporters on the sidelines of a FICCI-IBA event. He, however, did not disclose the name of the asset the bank is hopeful to sell by this fiscal-end.

PTI had earlier reported that the bank was looking to raise around ₹1,000-1,200 crore by selling its entire 28.96 percent stake in Star Union Dai-Ichi Life Insurance.

The other partners in the

life insurance company are Union Bank of India and the Japanese major Dai-Ichi Life Insurance Company.

The bank had also earlier planned to raise around ₹800 crore by selling stake in STCI Finance and Sidbi. It holds 29.96% stake in STCI Finance, while it owns 2.84% in Sidbi.

Mohapatra said he sees resolution of debt-ridden Essar Steel in this quarter.
