Pune (India CSR): The Quick Heal Foundation, the CSR arm of Quick Heal Technologies Limited, celebrated the 'Cyber Shiksha for Cyber Suraksha Awards' 2024 in Pune, recognizing volunteers from the educational sector for their contributions to cyber safety awareness. The event was attended by notable figures including Ms. Anupama Katkar, Quick Heal Foundation's Chairperson, and prominent academicians and law enforcement officials, reflecting the initiative's broad impact. The initiative, aimed at educating the masses on cyber safety, has reached over 47 lakh individuals through innovative methods like street plays and collaborations with educational institutions. The awards, distributed across multiple categories, highlighted the achievements of students, teachers, and institutions in promoting cyber safety. Ms. Katkar emphasized the initiative's role in empowering the youth and extending gratitude to partners and supporters.

The event underscored Quick Heal Foundation's commitment to cybersecurity education and its significant contribution to national well-being, aligning with global sustainable development goals.
